Educational and Therapy Services

TheraPeds is hiring new graduates and interns (CFY) in Education Health Science Fields and Special Education

About Us

TheraPeds is a Colorado-based organization with national reach. Our team is composed of therapists and teachers who are committed to supporting students and schools across the US.

At TheraPeds we:

- **Provide mentorship:** We offer continuous collaboration, resources, and multiple layers of support.
- **Know therapy and education:** We are here to help you launch your career.
- **Offer highly competitive salaries:** Our transparent compensation and above-average rates reward your expertise.
- **Have a 90% retention rate:** We prioritize satisfaction for our providers and districts alike.
- **Offer flexible opportunities:** With in-person, hybrid, and virtual opportunities in 48+ states, we are confident that we can help you find your dream job.

We have positions on our team for:

- Speech language pathologists (SLPs, CF or CCC)
- Speech language pathologists assistants (SLPAs)
- Social workers
- School psychologists
- Board-certified behavior analysts (BCBAs)
- Special education (SPED) teachers
- Sign language interpreters (ASL)
- Specialized Services (DHH/TVI teachers)
- Occupational and Physical Therapists (OTs/PTs)
- **And more!**
